Dear warriors,

Thank you so much for being warriors in prayer. We really need it. It is a spiritual war. We have to shout to our God, we have to pour our hearts like water and cry for the lives of the little children in the streets of Argentina. Lamentations 2:19

We are so grateful for all the churches have given offering and to all the precious ladies that pray fervently for the kids.

With that offering I could buy 5 Bibles, no kid had a Bible. And I am about to buy more.

We also bought 14 pair of tennis shoes for the ones that come often.

- Please pray that the children discover that there is Life in Jesus.
- Please pray that none of the children get Lost in sin.
- Please pray that I may Buy a property next to the church.
- Please pray that we have enough money to buy Bibles for the public schools. First in our state, Tucumán.

This is the first prayer letter for brave children of Christ. Later I will be post in the letters in our webpage. <https://www.theowenstoargentina.com/prayer-letters-1>

Thank you for investing in what is eternal.
