Dear Folks,

I trust that the Lord is richly blessing you dear folks. We have been traveling very heavy in this month. I appreciate your prayers for traveling mercies.

We are schedule to fly back to Argentina the third of September. We are traveling at this moment towards Miami.

The church in Argentina was specially blessed with a tremendous youth conference. There were 500 youths and many were saved. I have been told that there are still young people coming to the church because of this meetings.

The attendance at the church has been strong even though it is wintertime and the pastor is not there. We praise the Lord for faithful people.

We also appreciate your prayers for tha Bibles that we can give to the public school students in Argentina. We need much prayer so that this will come to pass.

We are also thankful that money was raised to buy three buses. We thank everyone involved. with this tremendous blessing.

We also want to thank all the churches that received us with so much love. We felt very appreciated.

We are also thankful for your prayers for my wife's ministry, the brave children of Christ. Thanks the Lord, two ladies from our church, Antonela and Tiziana, are working with the kids while we are in furlough. They walked to church twice a week even in very cold days. If you want to know more about the ministry withs kids, please ask my wife for an update of the kids:
