The Owens to Argentina

We have a ticket for our return to the United States on April 28th. It's been a long time, and we pray that this trip will be a blessing to God's people.

The Bible College has just started the new school year, and we're delighted to have many new students. Evelyn is one of them. She used to take classes from Muslims a while ago, but someone from our church knocked on her door and won her to Christ. Praise the Lord! She's now in the seminar.

Josefina is another new student. Her mother is part of a sect, but a church member won her to Christ and has been disciplining her for months. She's made the decision to study in the seminar, so please pray for her. We want to encourage her and help her stay motivated.

A common theme I hear is, "The Lord is really working."

The finances in the church have been a challenge lately. Tucumán is facing a tough economy.

We did have our annual missions conference, and it was a tremendous blessing. Two missionaries spoke, and God worked our hearts. We're trying to give each missionary \$40 a month.

My wife has been working diligently with the kids from broken homes. More kids are coming, and the Lord is giving us workers.
